

space shake-up

Zig, Vot, and Spo are homesick. Using the clues below, can you figure out which planet each alien came from and which spaceship they own?

	Hot Planet	cold Planet	wet Planet	 Red ship	 yellow ship	 Blue ship
 zig						
 vot						
 spo						

Use the chart to keep track of your answers. Put an X in every box that can't be true and an O in boxes that are true.

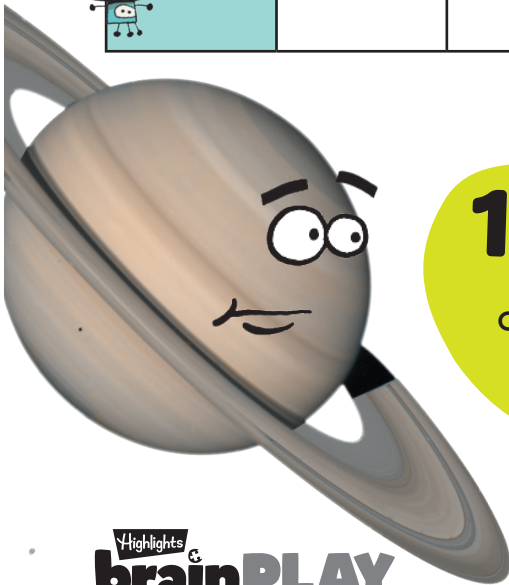

CLUES

1 The red spaceship came from a hot planet.

2 Vot's planet is cold, but not wet.

3 The yellow spaceship belongs to Spo.
